The freight wreck on the C. V. near Dodge's bridge was cleared up at 1:30 o'clock yesterday afternoon, and the track repaired so that the 3:30 train was run by. The coal car which went to the wreck at the bank at right angles to the track was so badly wrecked that it was set on fire and burned up.

GETS BIG CONTRACT.

Rabidon Lumber Company of Northfield Is Busy These Days.

Northfield, Nov. 14.-The Rabidon Lumber company has just closed a contract to erect a large granite shed for the Woodbury Granite company in Bethel.

The shed is to be 150x225 feet and work will be begun upon it as soon as possible. The shed is to be occupied early in the spring. The Rabidon Lumber company will furnish the lumber largely from their own saw mill and it is a job that will keep this enterprising concern bustling during the winter in connection with its other contracts and the work at its mill.

The company has the Rabidon school building ready for the public finish, which would already have been begun but for a delay in securing the lumber for some of the work.

PITCHER OF WHISKEY.

Was Seized By Burlington Officers on a Raid Yesterday Afternoon.

Burlington, Nov. 14.-Sheriff James H. Allen and Deputy Charles E. Quinn searched two premises of John Abbey at 107 North Bend street yesterday afternoon. A pitcher with a small quantity of whiskey in it was seized and brought to the jail. The other contents of the pitcher had been tipped into a sink. Abbey was taken into city court, and bail was fixed at \$1,000 and was next furnished. The case was continued until Saturday morning.

Nice Clothes. FOR MEN WHO CARE to be nicely dressed. We can fit the stout and the thin, the tall and short. We know that we are right when we claim that our clothes represent full value for every penny we ask for them.

At the City Bakery! During the past two years we have been making a loaf of bread (the Double Loaf of Malt Bread) which can always be depended upon. Made out of the strongest and best whole wheat flour obtainable.

Where Cleanliness Predominates. We have not had much to say about our Steam Rendered Lard and Home Cured Hams for the reason that we could not get enough ahead to talk about, but we have enlarged our facilities and are in shape to make more of both.

F. D. LADD COMPANY. Our Hams never leave the building until they are sold. We use only native pig pork, and smoked in an air tight steel room, free from dust and dirt, and are not frozen and thawed several times as in the old way of smoking in an outbuilding.
